

1 BACKGROUND

1.1 CONRAIL LOGO FONT

PLEASE NOTE: THIS IS A FREE COPYRIGHTED FONT THAT ATTEMPTS TO IMITATE LETTERING USED BY A RAILROAD COMPANY. IT IS NOT A SANCTIONED, COMMISSIONED OR APPROVED REPRESENTATION OF THE LETTERING USED AND MISTAKES CAN AND PROBABLY DO EXIST. HOWEVER, AS A FREE-WARE FONT, THIS ASSEMBLY OF GLYPHS KNOWN AS "CONSOLIDATED.TTF" CANNOT BE SOLD BY ANYONE.

2 USAGE

2.1 Installation(Windows)

The file is distributed as part of a ZIP file that includes this document as well as the font itself and other related documentation.

The files need to be UNZIPPED from the distribution file into a temporary work area, like **C:\TEMP**. *(I'll assume that you used c:\temp from here on...)*

Double Click on the ttf file, from here you can install the font.

As with all other TTF fonts on your system, the "**consolidated.ttf**" file enclosed within the ZIP file belongs in the **FONTS** folder of your windows operating system. This is the only way this file would be useful.

2.1.1 Permission

This font is freeware. It may not be edited, altered, or manipulated in any way, or used in part or incorporated into any other commercial graphic material without permission from the font creator. If this font is used in rail simulator related artwork, credit must be given. Failure to do so will make this font be withdrawn from the community and it will return to private use only as it has been since 2002.

It has already been withdrawn once for this reason.

So, if you use it, say so.
